2024 Group Parent Information

Another winter season is closing in and it's time to think snow! The group program is a great way to give your student a winter activity, while having the freedom to hang with their friends. We, at Pleasant Mountain, love sharing the joys of skiing and riding with others and are thrilled to have your student join us.

Please reference this guide for information, and check out our FAQ's on our [Groups page](#). If you are unable to find an answer to your question, please reach out to your Group Leader.

General Information:

Review the [Responsibility Code](#) and Pleasant Mountain's Group Rules with your student. It is imperative they adhere to the code for their safety and continued use of our slopes. Ducking ropes is dangerous, recklessness can be fatal, and vandalizing Pleasant Mountain property, is illegal. Any breach to this code will revoke their ticket, lesson and rental equipment use for the remainder of the evening and possibly the remainder of the season. All sales are final, purchases are non-refundable & non-transferable.

This type also applies to entry level skiers uncertain of their classification. *Default setting for rental equipment unless specified.

Type II: Skiers who designate themselves as **Type II** receive average release. Retention settings appropriate for most recreational skiing.

Type III:** Fast skiing on slopes of moderate to steep pitch Skiers who designate themselves as **Type III** receive higher than average release. Retention setting.
